FINAL INSPECTION REPORT

CONTRACT NO. 86-D-780002-950

CONTRACTOR: Sheraton - Fredericksburg

DCN: 7800-86-0295

Our records indicate that work under subject contract is or should be complete, but we do not have a final inspection report from your office. Final payment to the contractor and settlement of the contract cannot be effected until receipt of this report.

Attached for your convenience is an inspection report form (1897). If this is a final report be sure to so indicate on the line titled "Inspection Report No." Our return address is on the reverse of the form, so that the form may be folded in half, stapled and put into the internal mail system.

Thanks.
